December 24, 2008 in the above-identified patent application:

in the above-identified patent application is respectfully requested.

PETITION UNDER 37 C.F.R. §1.137(a)

A Petition Under 37 C.F.R. §1.137(a) For Revival Of Abandoned Application was filed in the above-identified patent application on November 9, 1995 (Certificate of Mailing dated November 7, 1995).

Applicants hereby renew the Petition Under 37 C.F.R. §1.137(a) For Revival Of Abandoned Application (hereinafter “1.137(a) Petition”).

A DECISION ON PETITION mailed September 22, 2008 (hereinafter “September Decision”) dismissed the 1.137(a) Petition.

A Request For Reconsideration of the September Decision was filed November 21, 2008 (hereinafter “November Request For Reconsideration”).

A DECISION ON PETITION mailed December 24, 2008 (hereinafter “December Decision”) again dismissed the 1.137(a) Petition.

Reconsideration of the DECISION ON PETITION mailed December 24, 2008 dismissing the 1.137(a) Petition is respectfully requested.

A Grantable Petition Under 37 C.F.R. §1.137(a)

The December Decision stated in the paragraphs bridging pages 2 and 3 of the December Decision that in November, 1995 the showing required for a grantable petition pursuant to 37 C.F.R. §1.137(a) required:

- (1) A proposed response to continue prosecution of the application;
- (2) The petition fee as set forth in 37 C.F.R. §1.17(1);
- (3) A showing that the delay was unavoidable;
- (4) A Terminal Disclaimer and the fee as set forth in 37 C.F.R. §1.20(d).

The December Decision at page 3 stated that the present petition lacks item (4).

The December Decision stated at page 4 under Conclusion that the petition under 37 C.F.R. §1.137(a) is dismissed for lack of a Terminal Disclaimer.

Terminal Disclaimer

In support of the 1.137(a) Petition, attached hereto is a Terminal Disclaimer To Accompany Petition.

Deposit Account authorization to charge the required Terminal Disclaimer fee as set forth in 37 C.F.R. §1.20(d) is given in the Transmittal letter transmitting this Request For Reconsideration.

Attached to the Terminal Disclaimer is Power Of Attorney By Assignee Of Entire Interest With Statement Under 37 C.F.R. §3.73(b). As required by 37 C.F.R. §3.73(b)(1)(i), a copy of the assignment from the inventors to the assignee (Nippon Steel Corporation) of the above-identified patent application is attached to the Power Of Attorney By Assignee Of Entire Interest With Statement Under 37 C.F.R. §3.73(b).

Facts and Evidence

The facts and evidence related to the 1.137(a) Petition are set forth at pages 2 to 7 of the November Request For Reconsideration and are hereby incorporated herein by reference.

All required papers and fees in this matter were timely filed by the applicants as supported by the evidence of record.

Case Law

The case law of Takao, Winkler and Future Technology discussed at page 2 of the December Decision and page 4 of the September Decision was discussed in detail in the November Request For Reconsideration at pages 7 and 8, such discussion hereby incorporated herein by reference.

The present matter is completely different than Takao, Winkler or Future Technologies. In the present matter, the Office did not act in response to the applicants' November 9, 1995 Petition Under 37 C.F.R. §1.137(a).

CONCLUSION

The December Decision states at page 3 that the present 1.137(a) Petition lacks item (4), i.e., a Terminal Disclaimer.

A Terminal Disclaimer required by the December Decision is being filed herewith.
